Dear Summer and Anthony:

I was so pleased to hear that you had recently been named the Home-based Business Champion of the Year. Congratulations!

This recognition represents the culmination of a great deal of hard work and determined effort. You should be very proud of this honor. It is truly and greatly deserved.

I know I join with your family and friends in telling you how proud I am of all you did to earn this award. In reading the report that detailed your efforts I could not help but wonder how much better the world would be if we all worked as hard as you did. More power to you!

Congratulations again. You are truly one of Wyoming's special citizens. Your hard work exemplifies the "can do" spirit of the West. Your efforts reflect well on all of us. Diana joins in sending our best wishes to you.

Sincerely,

A handwritten signature in black ink that reads "Mike Enzi".
